**Reference:-** Your office Letter No. JBPL/ BD/ 2019 – 20/022 dated 18-09-2019.

With reference to your office letter referred above the technical committee in its meeting held on 10-10-2019 has recommended the following products of your Company on pilot basis with following terms and condition for a period of one year subject to assessment of performance of your products.

a) RS-1,SS-1,SS-2 & MS.

The raw material used for the production of emulsion and PMB should be procured from PSU's (Indian Oil Corporation or Hindustan Petroleum)  
Each lot of material supplied must be accompanied with manufactures test certificates from NABL accredited labs. The lot wise independent Quality Control tests shall be conducted on each supply lot.

The material supplied should fulfil all the **norms and specifications of latest relevant code of IRC/IS**. This approval is valid for one year initially and further continuation of the approval of the product shall be decided, thereafter, based on the mandatory feedback/ performance report submitted by the Zonal Chief Engineers & Chief Engineer (NH). In case any information is received regarding any defect/ discrepancy, the same will be reported to this office without waiting for the expiry of the period of one year.

The approval does not absolve off the Executive/ Supervisory staff from their responsibility for using correct quality product. It is only after they are satisfied about the quality and the performance, the product should be used. Mandatory checks about the quality will be carried out as laid down and the records of the same be maintained.

Please note that approval given here can be cancelled at any point of time during the currency of approval period, in case of adverse report on performance of your firm/ Products received from field offices.
