Government of India
Ministry of Rural Development
Department of Rural Development
(RC Division)

Krishi Bhawan, New Delhi
Dated the 25th September 2017

To,

The Addl. Chief Secretary,
Public Works Department,
Government of Himachal Pradesh,
Nirman Bhawan, Shimla-171002

Subject: Clearance to the project proposals for the new connectivity and up-gradation under Regular PMGSY, Batch-I, 2017-18 in the State of Himachal Pradesh -reg.

Sir,

I am directed to refer to the project proposals sent by the State Government of Himachal Pradesh under PMGSY considered in Empowered Committee Meeting held on 09.07.2017. On the basis of recommendation of the Committee and the compliance report submitted by the State, the Ministry hereby accords clearance for the proposals considered by the Committee for the State of Himachal Pradesh under PMGSY as per the details given below:-

Proposals of New connectivity and Up-gradation under regular PMGSY (Batch-I, 2017-18)

Items	Stage - I	Complete	Stage - II	Up-gradation	Bridges	Total
Value in Rs Crore	150.67	182.02	349.04	78.03	22.48	782.2345*
No. of works	36	57	93	24	11	210 roads 11 Bridges
Length in Kms	219.67	296.58	633.09	150.35	400.36	1,299.69 Km roads 400.36 m Bridge
Average cost (Rs. in Lakhs/Km)	68.59	61.37	55.13	51.90	5.61/m	
Habitations	1000+ : 2 Nos 500+ : 8 Nos 250+ : 92 Nos 250+ Clusters : 3 Nos		-	-	-	1000+ : 2 Nos 500+ : 8 Nos 250+ : 92 Nos 250+ Clusters : 3 Nos
*MORD Share : Rs. 697.8634 Crores State Share: Rs. 84.3711 Crores						

2. Maintenance cost entered on OMMAS for the proposal recommended above for clearance is Rs. 217.92 lakhs which is 11.85% of the Construction cost.

3. The above Clearance accorded subject to the condition that the state must complete the following activities before tendering i.e at the time of technical sanction:-

- i. State must ensure that the payment to Cement Concrete roads is made only after verification of target strength achieved after 28 days based on cores taken from the pavement as per MoRD specifications.

- ii. State must propose balance length of 37.59 Kms (34.39 Kms of Batch II of 2016-17 and 3.20 Kms of present batch) using new materials /IRC Accredited materials in the next batch of proposals to fill this gap.
 - iii. State should verify the 46 roads where the proposed length is more the Core Network length with Geo-tagged photographs and details of such verification should be informed to NRRDA/Ministry before tendering.
 - iv. The Zonal Chief Engineers have certified that CD structures and Protection structures already sanctioned on the identified locations during Stage-I proposal have not been proposed in Stage II. The new CDs and Protection works proposed in the Stage II road works are based on the actual requirement and site conditions and have not been got sanctioned in Stage I at same RDs. However, State has not responded the basic issue that the CDs/Protection structures which were sanctioned in Stage I projects have not been executed in full. In case these CDs have not been executed whether the proportionate cost for such not executed CDs/Protection works is available with the State as savings. The State must provide the details of savings road wise indicating the number of CDs, length of protection structures sanctioned with cost, actually executed and expenditure incurred thereon before award of Stage II works. Further, if such savings are not available, the State should also indicate in which items the sanctioned cost for CDs/Protection structures has been utilised.
 - v. 9 sample DPRs, where the higher average cost was reported in the compliance have been scrutinised by Shri. Sathis sagar, Ex NQM and found that the reduction in cost of 10.37% from the corrected DPR. Such high reduction in cost of sample DPRs even after submission of compliance of EC observations by the State, indicates that appropriate efforts have not been made by PIUs in preparation of DPRs and their scrutiny. State Government must reverify all the remaining DPRs before according Technical sanction and also initiate appropriate action against the concerned for submitting such inflated DPRs.
 - vi. 18 no of roads as proposed by the State have been verified based on the geo-tagged photos provided by the State, are found to be not eligible as cluster approach and accordingly have been removed from the clearance of this batch. Ministry may write a strong letter to the State for making proposal of such roads without proper verification and constantly perusing it upto EC, wasting lot of time for NRRDA/Ministry. The State must fix up the responsibility to the concerned officers and action taken be provided before award of works of this batch.
4. The OMMAS based Road-list along with District-wise abstract is enclosed.
 5. This issues with the approval of the Competent Authority.

Yours faithfully,

(Surabhi Rai)
Deputy Secretary (RC)
