Subject:- Regarding registration of Executive Engineer under GST Act 2017.

As you are aware that the Goods & Service Tax (GST) is applicable in the state of Himachal Pradesh w.e.f 01/07/2017. This department is procuring various construction materials such as steel/CGI sheet/cements, Bitumen etc. The GST is being paid at the time of purchase. The material is further to be supplied to the contractors, hence GST registration is required by all the Executive Engineers.

You are therefore requested to direct all the Superintending Engineers/Executive Engineers working your control to get registered themselves under GST act with the Excise and Taxation department and get GST IN Number so that double taxation could be avoided.

Encl. Nil.

Engineer-in-Chief,
HP PWD, Shimla-2.

Copy of above is forwarded to :-

1. All the Executive Engineers (through e-mail) for information and necessary action. They are requested to get registered themselves with the Excise and Taxation department to get the GSTIN number immediately to avoid any legal/contractual litigation in the later stage.
2. The Executive Engineer (IT) for information, along with copy of the above instruction. He is requested to upload the same on the Departmental website.
