Sub:- Request for incorporation of AVS Inno Infra Brands in list of approved brand for upcoming projects.

Ref:- Your office letter No. -Nil- dated 26.08.2019

With reference to your office letter referred above the technical committee in its meeting held on 10-10-2019 and subsequent clarification received on dated 03-02-2020 and accordingly proceeding signed on 28-02-2020 along with submission of IRC accreditation with other documents required has recommended the following products of your company AVS INNO INFRA on pilot basis with following terms and condition for a period of one year from date of issue.

a) **ANT Stabilizer used in road construction .**

Each lot of material supplied must be accompanied with manufactures test certificates from NABL accredited labs. Each Lot must be accompanied with all requisite Quality Control tests certificates of certified standard.

The materials supplied should fulfill all the norms and specifications of latest relevant code of National/ International standards for products. This approval is valid for one year initially and further continuation of the approval of the product shall be decided, thereafter based on the mandatory feedback/performance report submitted by the Zonal Chief Engineers, if applied by the firm.

The approval does not absolve off the Executive/Supervisory staff from their responsibility for using correct quality products. Mandatory checks about the quality of the material will be carried out before use as laid down in the codes pertains to the above product and the records of the same be maintained.

Please note that approval given here can be cancelled at any point of time during the currency of approval period, in case of adverse report on performance of your firm/Products received from field offices without waiting for the expiry of period of one year.
