Subject:- Regarding revision of digging charges on PWD roads for laying
underground cables/optical fiber cables.

With reference to this office letter even file No. 7150-7265 dated 28-10-2014 vide which restoration of damages of road on account of trenching for laying of underground cables/optical fiber cables by telecom agency were communicated to your good self. Now it has been brought into the notice of this office that 9% departmental charges + 3% contingency charges are being demanded by the respective Executive Engineers over and above the rates notified by this office which is not as per the norms of the notification.

Therefore it is clarified that the rates notified vide above referred letter are inclusive of 9% departmental charges and 3% contingency charges, so no extra charges be charged from the Telecom Agency requesting for permission for digging of the road. This should be brought into the notice of all concerned.

Engineer-in-Chief,
HP.PWD., Shimla-2.

Copy to all the Executive Engineers in HP.PWD. for information and necessary action.
