PUBLIC WORKS DEPARTMENT

No. PW. E-in-C (QC&D)SQM K.Z/2011-

2596-2681

Dated:- 19-9-2011

From:-

Chief Engineer (QC&D),
HP, PWD, Shimla-1.

To

The Chief Engineer,
Shimla/ Mandi/ Dharamshala/ Hamirpur/ National Highway.

Subject :- Inspection of works by Engineers of Quality Control Wing.

The quality control mechanism for PMGSY works comprising of NQM/SQM is already in place and is functioning well, on the similar pattern we have also to ensure regular quality checks for other works under Nabard/ NH/ State/ CRF/ deposit/ PR/SR, etc for which Executive Engineer (Q.C) have been posted at various zonal head quarters. To implement the same further it is decided that all works/ Jobs costing more than Rs 30 lacs must be got inspected by the concerned Executive Engineers from the Quality Control wings at regular intervals. A copy of the award letter must also be endorsed to the Executive Engineers (Q.C) by the divisional engineers. Payment to the contractor should be linked to the inspection of the Quality Control engineers conducted at the appropriate stages of works. Payment must be withheld if the work is graded unsatisfactory or satisfactory but required improvement.

It is further added that to ensure better quality control and contract management instructions have been issued by the Chief Engineer (SZ) to his Engineers vide his letter No. - 3951-81dt. 14.06.2011 (copy enclosed) which may also be implemented in your zones/ jurisdiction.

It is therefore, requested that these instructions be further reiterated and passed on to the field officers for strict implementations.

DA:- As above.

Chief Engineer (Q.C&D)
HP, PWD, Shimla-1.

Copy forwarded to:-

1. The Engineer-in-Chief, HP.PWD., Nirman Bhawan Shimla-171002. for information please.

2. All the Superintending Engineers/ Executive Engineers in HP. PWD., alongwith copy of above referred letter for information and necessary action.

DA:- As above.

3. Copy to the Executive Engineer (QA) HP PWD, Shimla, Mandi, Hamirpur and Dharamshala alongwith copy of above referred letter for information & n.a.

Chief Engineer (Q.C&D)
HP, PWD, Shimla-1.

No-PW-CTR-32-20/exn. instruction/2010-11-3957-8/ Dated:- 14/06/11
From:

Chief Engineer (SZ).

To

All the Superintending Engineers,
under Shimla Zone,
HP.PWD,

Subject: - Final Inspection of works by the Superintending Engineers.

It has generally been observed that the management of the contract is generally left at the mercy of the Contractors and the field engineers. To ensure better quality of work and management of contract and execution of works as per the objectives and provisions of the DPR, it is felt necessary that before closing any contract or accepting the completion, a final inspection be conducted by the concerned Superintending Engineer of all works having project cost more than Rs. 30.00 lacs.

When the work is reported as complete or nearing completion(Also see Clause-6 of form-8)by the Executive Engineer concerned, the concerned Superintending Engineer shall conduct final inspection of the works and shall issue a recommendations as given

below :-

"That I, Sh. _____ Superintending Engineer, _____ Circle, HP.PWD, _____, have inspected on dated _____ the work _____, costing Rs. _____, awarded to Sh _____ for Rs. _____ vide Executive Engineer letter No. _____ dated _____ Agreement No. _____, having stipulated date of completion as _____, and observed that the said work has been broadly completed/nearing completion as the provision of DPR/contract (except some variations/changes which were

just and necessary to secure proper completion of work) and the quality of work is good/satisfactory. No items of work have been unfairly/unnecessarily exceeded/reduced/added/deleted and the likely final amount may vary approximately by + _____% and recommend for accepting completion of work and finalization of the bill.

Being a deposit work the expenditure is unlikely to exceed the deposit amount"

The Superintending Engineer may ask the Executive Engineer to supply the necessary information/data including reports of NQM/SQM/QC before conducting the inspection. Any item varying more than + 5 % must be supported with proper reasons in the deviation statement.

Chief Engineer (SZ),
HP PWD, Shimla-2.

Copy to the Engineer-in-Chief, HP PWD, Shimla for information please.

Copy to all the Executive Engineers/ Divisional Accounts Officers under Shimla Zone for information and strict compliance. It may further be ensured that bills are finalized within 3 months from the date of completion. This includes approval of deviations and time extensions also, failing which the responsibility will be fixed and action taken accordingly.

Chief Engineer (SZ),
HP PWD, Shimla-2.
