1/2019-loose EP-3/2020 dated 24-03-2020.

It is informed that as per report by all Chief Engineers HPPWD it has been again brought to my notice that their SE's and EE's are not able to utilize their budget in certain heads due to prevent Covid-19 situation and have expressed apprehension again that non-utilization of 2019-20 budget in these heads will result in lapse of budgetary allocations which would effect their circles/divisions activities.

After due discussions with CE's, SE's, and EE's it has been decided that keeping in view instructions in letter dated 24-03-2020 issued by the Finance (Budget) Department, Govt of HP, in case of such lapse of Un-utilized funds at the end of the current financial year, Chief Engineers will move the matter to Engineer-in-Chief office for additional funds in April, 2020 so that department zonal /circle/Division activities/ programmes run smoothly in public interest.
